Dear Mr. and Mrs. Ewing:

On behalf of the Associated Builders and Contractors, Southeast Pennsylvania Chapter (ABC SEPA), I would like to personally thank JAE Enterprises, Inc. for your help in assisting us with the Advancing Registered Apprenticeship into the 21<sup>st</sup> Century grant from the U.S. Department of Labor. Not only have you helped us in obtaining federal funding for our pre-apprenticeship program, but you have also patiently assisted us with the grant reporting process, allowing us to concentrate on our efforts in assisting minority and disadvantaged youth in Philadelphia in obtaining successful long term careers in the construction field.

JAE Enterprises, Inc. has also facilitated our new partnership with the Montgomery County Community Action Development Commission (CADCOM). We are looking forward to our new relationship with CADCOM and the opportunities our partnership brings to expand our services throughout Montgomery County.

Again, I would like to sincerely thank JAE Enterprises, Inc. and their team of professionals for their efforts in assisting ABC - SEPA. We are excited to continue to work with JAE Enterprises, Inc. on our future endeavors.

Sincerely,

John P. Judge  
Vice President, Education Services
