Dear Jolene and Kelley,

It is with great pleasure that I write this letter in support of your application for Grant Professional Certification (GPC) as Grants Professionals. JAE Enterprises, Inc. has truly helped Genesis to make a difference in the lives of those we serve. I am especially grateful for the information and advice you provided to us regarding capacity building and recruitment strategies for volunteers.

The education and training provided at your three-part grant writing workshop and fundraising seminar not only supported our efforts in acquiring the Camden County Compassion Capital Fund training and technical assistance and funding in the amount of \$33,333.33 that was awarded via your organization, but it also provided us with the tools necessary to enhance our staff's grant writing skills. The expertise and help that the JAE Enterprises staff gave to us during the process of attempting to get funded by the government has been invaluable.

We truly appreciate JAE Enterprises for your efforts in having us join forces with other non-profit organizations. JAE Enterprises, Inc. has shown us what unparalleled possibilities are available through collaborations. These connections have proven to be rewarding and we look forward to continued collaborations with these organizations as well as JAE Enterprises, Inc.

Sincerely,

Gloria Smith
Executive Director
