Dear Kelley:

The Salvation Army wishes to thank you and your consultants at JAE Enterprises, Inc. for the assistance that you provided in the preparation of our state grant application. JAE Enterprises, Inc. provided efficient, courteous and professional assistance in the process of writing, submitting and following-up of the application. You and your consultants simplified the entire process making it painless and non-obtrusive to our organization.

As a result of your efforts, our application was approved for funding for over \$450,000! These funds will assist us in maintaining the high level of quality education that our after school programs provide to the youth of Philadelphia. We are pleased with the opportunities that this funding represents.

We are excited about our relationship with JAE Enterprises, Inc. and look forward to more success in the future. Please relay to your team our gratitude and appreciation.

Thank you.

Sincerely,

Jorge E. Diaz, Major
