JAE Enterprises, Inc.
2918 Limekiln Pike
Glenside, PA 19038

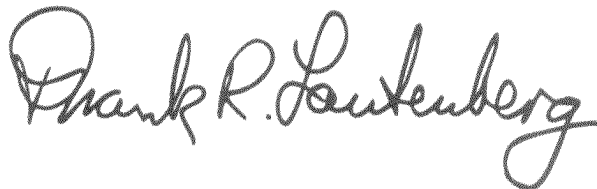

Dear Friends:

I would like to congratulate JAE Enterprises, Inc. as you begin your third year of the Grassroots Capacity Building program in Camden City. Unfortunately, I am unable to attend today as you celebrate this project.

These grants provided by JAE Enterprises – which were funded via the Compassion Capital Fund Demonstration Grant through the Department of Health and Human Services under the Administration for Children and Families – will allow numerous faith-based and community-based organizations to reach their full potential as they go on to serve the needs of Camden City. Congratulations to all those organizations receiving grant awards today. I am excited at the impact this financial assistance will have on not only the organizations themselves but on the community here in Camden as a whole.

Thank you to JAE Enterprises for your dedication to advising and financially supporting non-profit organizations. I would also like to express my gratitude for all the work that faith-based and community-based organizations continue to do every day here in the City of Camden. I wish JAE Enterprises and all the awardees the very best on their initiatives.

Sincerely,

FRL: jcs
